MIXTURES WITHOUT EQUAL

ANCIENT ITEMS FOR COLLECTORS

and

THOSE MOST SUITABLE FOR NATURALIZING.

These above are all grown at our farm, the result of over 35 years of untiring effort on the part of the Grower, GEORGE HEATH, who, for his own interest and satisfaction and his customer's benefit has maintained a TEST GARDEN for all these years, trying out all the new varieties, retaining or discarding them according to their merits, searching out those hard to find and rare old varieties and offering the public the LARGEST LISTING OF DAFFODILS AVAILABLE, as well as TOP QUALITY and GUARANTEED TRUE TO NAME BULBS.

Our shipping season starts shortly after September 15th by which time the fall inspection of bulbs by the State Board of Entomology has been made. Our bulbs are inspected twice yearly by these experts, thus enabling us to offer you bulbs guaranteed free from disease. Please do not delay ordering until too late. We offer a 5% discount in BULBS on all orders received before August 1st. It is advisable to order in the spring when the blooms are fresh in your mind and thus give us a chance to dig any that we might not be planning to lift this year unless for special orders. We dig half our stocks yearly. Planting instructions will be sent with your order. Again — PLEASE DON'T DELAY — order NOW if possible, or as soon as possible. For best results, your bulbs should be planted early and ours MUST be replanted in November. We welcome those able to come to see our flowers in bloom and suggest mid-March thru mid-April and we also suggest your trying to see one of our many Shows and Exhibits throughout the country.

PRICES

Prices, as listed, are per bulb and are for top sized, double-nosed. Do not be led astray by cheap offers which are invariably for small, inferior bulbs. On quantity purchases allow the following discounts: 12 bulbs of a variety for the price of 10; 50 bulbs for the price of 40; and 100 for the price of 70. Write for quotations on larger quantities, also SPECIAL GARDEN CLUB discounts. In this unique business, where the price of bulbs goes down but the cost of labor, shipping materials, transportation as well as Parcel Post continues to soar, we find it necessary to make a charge of **50¢ east of the Mississippi, \$1.00 west of same** to assist us to defray such expenses. Check with order please, or if desired, they will be sent C. O. D.

SPECIAL NOVELTY — An unexcelled mixture containing over 500 of the truly distinctive varieties listed in this folder. These discards are added to our NOVELTY MIXED which is in a class to itself for those not interested in name varieties, yet who desire fine and unusual flowers over an extended period each spring. ACTUALLY WORTH DOUBLE THE PRICE

PLEASE DO NOT FORGET TO INCLUDE 50¢ EAST OF MISSISSIPPI, \$1.00 WEST TO HELP DEFRAY HIGH COST OF PACKING AND SHIPPING.

DAFFODILS ON PARADE & BUSHEL BARGAINS

After digging and sorting our bulbs each year, we publish a small descriptive leaflet of those varieties lifted, as well as a list of surplus stocks which we are able to offer at a great discount in Bushel lots. Included, too, are several Collections for Beginners as well as for Experts, and a most comprehensive list of Naturalizing varieties at greatly reduced rates. This list, "Daffodils On Parade," is sent to all our regular customers as well as all those who have written in for this Blue List. However, if you are not in either of the above categories, please write us and we will gladly send you one.

AMERICAN DAFFODIL SOCIETY

Join the American Daffodil Society and enjoy the fellowship, bulletins and progress of the Daffodil lovers of this country. The society's objectives are directed to the great numbers of amateur growers but are also designed to include the commercial and professional interests. Write for membership applications and information to: MRS. WILLIAM A. BRIDGES, Treasurer, 10 Othro Ridge Road, Towson, Maryland. As a member of the Board of Directors, George Heath urges his many Daffodil minded customers and friends to take an active part in this most worth while Society.

SHOWS

For greatest satisfaction in ordering bulbs we suggest, if possible, you see one of our Exhibits of blooms this spring. This early we are not sure of all the dates and places, but can suggest the following.

March 24th and 25th at the Garden Club of Gloucester Show, Ware Parish House, Gloucester, Virginia.

March 24th and 25th at the Carillon, Richmond, Virginia at the show "Lusty Winds" presented by five of the Federated Garden Clubs of Virginia.

April 2nd thru 6th, at Joseph Hornes, Pittsburgh Penna.

April 6th and 7th at THE FIRST ANNUAL CONVENTION OF THE GARDEN CLUB OF AMERICA, the Shoreham Hotel, Washington, D. C.

April 11th and 12th, at Malcolm's House and Garden Store, Baltimore, Maryland.

April 14th and 15th, at the Washington Daffodil Society Show, Woodward and Lothrop's, Bethesda, Maryland.

April 18th and 19th at The Maryland Daffodil Society Show, The Baltimore Museum of Art.

We also maintain a continuous Exhibit of our blooms throughout the season in Gloucester, Virginia, at the Hodge Podge.

LABELS FOR DAFFODIL PLANTINGS

We have what we consider the IDEAL label. The 3½ by 1 inch zinc name plate has four holes through which the two 12 inch aluminum legs are inserted. The name plate can never come loose and if names are written on with weather-proof pencil, they will remain legible for at least 2 years. Price per dozen, postpaid \$1.50 — per 100, \$8.00.

OUR OWN BLOOMS ARE SCHEDULED FOR OVER 100 FLOWER SHOWS AND EXHIBITS THIS SPRING. WRITE FOR LOCATION NEAREST YOU.

MISCELLANY

The varieties listed in this catalogue are those which we are planning to dig this year—if interested in any not included herein—write for prices, at once!

You may be interested in reading the article, "Gold Was Where He Found It" in the March issue of The American Mercury Magazine as well as a condensed version in The Reader's Digest for March.

Below we provide you with paper for those copious notes we often see you taking at the shows—sorry no pencil included!

The Minimum collection we ship comprises 50 blooms and costs \$12.00. NOVELTY BOXES

Due to increasingly poor Parcel Post service, we have for the past several years, insured our famous Novelty Boxes of Fresh Blooms against delay in delivery, thus protecting our customers as well as ourselves from loss due to the delay factor. However, to avoid the disappointment of boxes not arriving at a specified time — particularly with the week-end and holiday laxity of the mails — we ask that you allow us to ship at our discretion and not for arrival at any stipulated time. Then we also reserve the right to ship those to distant or hard to reach points via AIR MAIL and bill you for the extra cost of same. The 12 dozen (144) blooms of 12 different and unusual varieties are picked in our fields one day and shipped Special Delivery, should reach you the next, in all their pristine glory. Our shipping season is around mid-March through mid-April.

NAMED COLLECTIONS—Yearly the demand is greater for boxes of Named Blooms—often customers place an order for one of these each week during the flowering season and thus are enabled not only to have lovely flowers for arrangements but especially to have a succession of blooms from which to order their bulbs for fall planting. 6 BLOOMS each of 24 VARIETIES, correctly labeled (144 flowers in all) are in these named collections. As stated above re NOVELTY BOXES please allow us to send these at our discretion, also to use our judgement as to the advisability of Air Mail (for which we will bill you extra).
